The Happening weekend begins on the Friday evening and ends on Sunday afternoon.

Not a retreat or camp

A Happening is nothing like a retreat or a camp. Each Happening has a character of its own-therefore no two Happenings are identical. During the three days the teachings of Christ are discussed in a spirit of joy and happiness. Happening is an encounter with Christ where there is power, beauty and joy of being with Him.

Instrument of renewal

The Happening experience is a powerful instrument of renewal in the church. Its aim is to concentrate closely on the person and teachings of Jesus Christ. Happening gives those who attend the desire to understand and serve His church.

INDEMNITY

I hereby indemnify and hold harmless the Diocese of Christ the King of the Church of the Province of Southern Africa, its clergy and all others who make up the Happening staff, Koinonia and its staff and agents against all claims of whatever kind, whether in respect of injury, death, damage or loss, arising from whatever cause.

The Happening staff are hereby authorised to seek medical attention for me/my child should it be required.

DIOCESE OF CHRIST THE KING

Put on His armour and
take up His sword

Christ and His church need
spiritually formed leaders for
today's world. That is why
Happening has been specifically
designed with our youth in mind.

Romans 5 v 1-2

Therefore since we have been
made right in Gods sight by faith,
we have peace with God because
of what Jesus Christ our lord has
done for us. Because of our faith,
Christ has brought us into this place
of highest privilege where we
stand now, and we confidently and
joyfully look forward to sharing
Gods glory.
